The board was asked if there was any interest in sending the Chair Elect to the World Conference May 16-17. Bill Easton motioned to provide the Chair Elect with Airfare and per diem to go to the conference. Joe Tullington seconded and there was unanimous approval.
 - c. Treasurer – Presented Monthly financial report (provided under separate cover). He brought up the issue of a request for reimbursement for expenses incurred by the 6 Sigma chair for their last meeting. Cost was \$170 that exceeded the \$100 limit for expenses without prior coordination/approval. A discussion followed on the items that were charged which included a projector fee and also how we were cost sharing with Section 509. It was decided that it was no appropriate to share by paying the fees every other month since the fees may vary. A motion was made by Bill Easton to pay the bill and ask for an accounting and determine how the expenses are being split between Section 0509 and 0511. Dale Shaffer seconded the motion and it carried 4-1. The treasurer also asked how we intended to split the cost of the March meeting between the two sections and how money would be collected.
