MLEA – Recognizing Member Leaders

- Procedure published at https://asq.org/user/signin?prvurl=https://asq.org/-/media/PDF/About-ASQ/governing-documents/PCR_MemberLeaderExcellenceAward.pdf (requires ASQ.org signin)
- Available to all Sections and Divisions (Geographic and Technical Communities)
- Section/Division selects winners; small fee to cover the cost of the physical award
- Nominees must have been a Member Leader during the timeframe for which they are to be recognized and must currently be a professional member of ASQ in good standing [exception: deceased members may be recognized posthumously]
- Nominees must satisfy at least 2 of the following categories
 - At least 5 years of member leader service in ASQ
 - At least 3 ASQ member leader roles
 - Delivered exception value (see procedure for examples)
 - Outstanding leadership
 - Successful recruitment and/or retention of multiple ASQ members
 - Successful recruitment and engagement of multiple ASQ member leaders

Member Leader Day!

- May 4th – Sunday prior to WCQI – at the Hyatt Regency Hotel
- *Go to the Member Leader Community Events page for details and to register - [Member Leader Day - May 4th \(In-Person Only\)](#)*
- In-person only; recorded version of the breakouts will be made available online after
- Free event
- Registration is separate from WCQI registration – register for both!

Member Leader Exclusive Learning Opportunity

- Two online professional development opportunities to develop member leader leadership skills
- **Soft Skills to Go** covers communication, problem-solving, organization and delegation, and digital fluency
- **Leadership Skills to Go** covers decision-making & coaching, emotional intelligence & team development, leading change, and remote & digital leadership
- **You were automatically enrolled during the final week of February and have access for 180 days from then.**

Please take the training and encourage member leaders in your Section to complete it as well. It's a great benefit of being a Member Leader!

Member Leader – Required Training

- **ASQ Member Information Privacy** – annual requirement of all member leaders
- **501(c)(3) Responsibilities** – Required of Chairs and Treasurers, encouraged for all!

Please take the training and encourage member leaders in your Section to complete it as well.

MUOA

Member Unit Operating Agreement

Former MUOA was created 6 years ago and acknowledged annually.

Updated MUOA:

- Makes the document less intimidating and more plain text
- Highlights the value that sections/divisions bring
- Focuses on the partnership between Member Leaders and ASQ Staff
- Defines areas of responsibility
- Makes connections to relevant policies & procedures
- Provides clarity and transparency

Section Chairs received from “Collaborate ASQ via Adobe Acrobat Sign” to sign the updated MUOA.

MUOA

As of April 18th, 80% of sections have completed signature. **Awaiting signatures from the following Sections** for continued member unit operations:
